

10th Grade Family Night

January 31, 2018 • 6:00 pm - 7:00 pm • HHS library

Your sophomore has a lot of choices to consider this spring when forecasting and planning for the next two years. Attending this parent night will help you and your student make informed choices. Students are encouraged to attend.

Topics covered include:

Forecasting Choices:

- Advanced Placement
- Articulated Courses
- Cascadia Technical Academy (formerly Skills Center)
- Credit Recovery
- Running Start
- Work-Based Learning

What's happening at HHS:

- What to expect over the next two years
- Graduation requirements
- Testing
- Student success tips
- Tutoring/intervention opportunities available
- Parent involvement

College:

- CADRs (college admission requirements)
- College application/admissions timeline
- NCAA/NIAA
- Scholarships

Light refreshments will be served
