Who Qualifies

All students 18 and younger who are enrolled in **Hockinson School District** are eligible to participate in the NSLP/SSO Program.

Participation

To maintain physical safe distancing, we will be scanning students ID's through our Point of Sale (POS) as they pick up their meal.

Cost

Meals will be provided **Free** of charge to all students attending **Hockinson School District**.

This federal program will allow us to offer à la carte items such as flavored waters, granola bars, cookies etc. at a cost so if you would like your child to purchase any of these items their account must have proper funds to do so.
